

Wendy Thomas, County Councillor, Dursley Division
Report for Leonard Stanley Parish Council, June 2024

Highways

Downton Road: This is ongoing. Gary Wilson, Highways Manger, has had CCTV work carried out to inspect the gullies and has had a report back on this. One gully definitely needs replacing and another is blocked, He is arranging for further safety inspections and has updated Irina this week.

Transport

GCC is expanding its 'Robin' bus routes in mid-June. The Robin is a 'demand responsive transport' bus service, which must be booked in advance either by phone or via the app/website. One of the new routes is for Berkeley Vale, and it appears to cover our area, although the precise bookable routes have yet to be revealed. The new route will begin on 17 June. You can read more about it here: <https://www.gloucestershire.gov.uk/transport/the-robin/>

Build Back Better

I am pleased to report that LSPC's application for funding for audio and video equipment has been approved by GCC.
